## 2021-2022 TRAFFIC FLOW & CARPOOL ROUTE

# VILLA ACADEMY

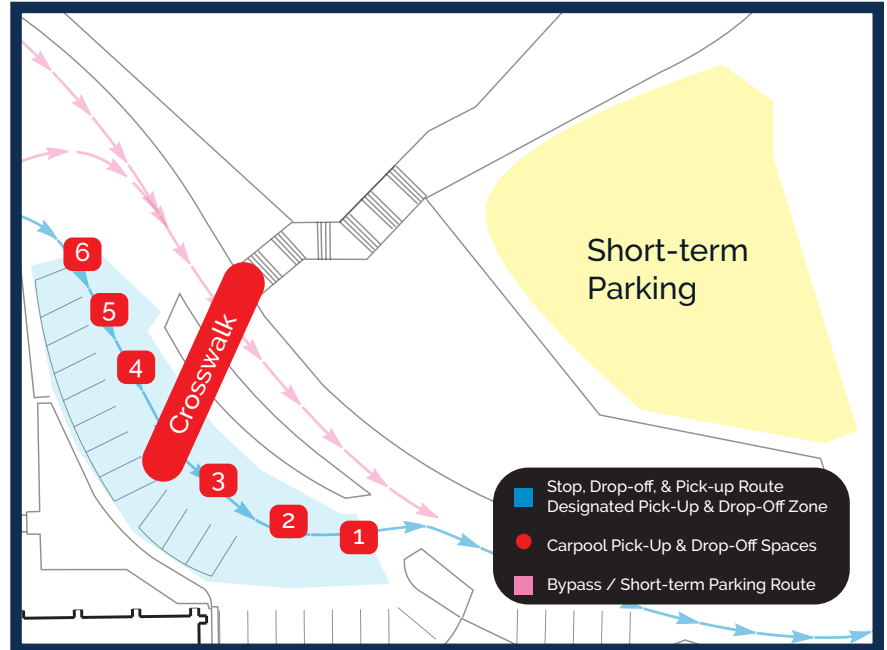

5001 NE 50th St. Seattle, WA 98105  
office 206. 524. 8885.

## 2021-2022 TRAFFIC FLOW & CARPOOL ROUTE

*Please listen to and follow the directions of the carpool crew.  
Due to limited space and time, we ask that cars maintain the flow of traffic. Thank you!*

### DROP-OFF PROCEDURES

-  There are six drop-off spaces. Cars should **ALWAYS** pull up to the next empty position, making as much room as possible.
-  Do not block the crosswalk, and do not pull over. All traffic must **YIELD** to the bypass lane.
-  To ensure safety, students should exit from the right passenger side of the car. Please reposition booster seats to the right passenger side.
-  If your student forgets something in the car, please park and walk the item up to the office.
-  To keep the flow of traffic, students should arrive with their masks on and **EXIT AS QUICKLY AS POSSIBLE.**

### PICK-UP PROCEDURES

-  K-5 students should be picked up in one of the six pick-up spaces (NOT when they see their parent's car up the hill).
-  Please try to arrive during your staggered pick-up time, and if your student has not yet been released, please circle back around through the carpool line. You are always welcome to park down in the lot and walk up to retrieve your student.
-  Students are asked to stay on the curb during pick-up. For safety and social distancing, adults should avoid congregating in the pick-up zone.

**Wednesday Early Dismissal Reminder**

-  **1:55** | Grades 6, 8
-  **2:05** | Grades 2, 3, 4
-  **2:15** | Grades K, 1, and 5
